ABOUT ME

As an experienced and qualified **Business English Trainer, Intercultural Trainer and accredited Neurolanguage Coach®**, I have been helping business clients reach their language and communication goals for over a decade.

1-TO-1 LANGUAGE COACHING

Finding the right course that meets your individual needs and fits into your busy schedule is difficult. By working with me, I will create a tailor-made learning plan focusing exactly on your goals, your motivations and schedule.

CAMBRIDGE EXAMS*

Are you looking to improve your professional profile with an internationally recognised language certificate? Let me guide and support you as you prepare. I offer preparation courses (B1-C1) focusing on exam techniques as well as hints and tips to help you gain that certificate. Online preparation courses are now available. To date, I have a 100% pass rate!

ONLINE TRAINER

Learning online can be challenging. As a trained and experienced online facilitator, I can offer you a variety of teaching strategies, activities and online tools which will keep your motivation and interest levels high both on and offline. Our sessions can be 100% online or blended depending on your location.
